Dear Parents,

Re: Sacramental Program

If your child is of the age to receive one of the sacraments and you are asking that they be a part of the parish program, we invite you to an information evening on the 20th of February at 6.30pm in the church to learn what the parish is offering in response to your request.

The program is different this year, as we are asking the parents to live the promises they made at the Baptism of their child. "You are accepting the responsibility of raising your child in the way of faith." Parents agreed that this is what they wanted, and they understood what they were to undertake. It is the "way of faith" that this program offers families.

Information night 20th February at 6.30pm to 7.30pm in the church (one catholic parent needs to attend.)
You will be invited to join the program.
You will be told how to register.
You will understand what is required of you if you choose this program.

The actual program begins on the 27th of February for four Thursday evenings for parents. The children will follow with a six-lesson program at 4pm, starting on the 27th of March. If you are unable the first program, the same program will be repeated later in the year (Tuesday 22nd July.)

Kind regards,

Fr Peter John Bianchini (Parish Priest)
